## PROSPECTUS

2022-2023

" We live in deeds, not years; in thoughts not breaths;  
He most lives who thinks most, feels the noblest, acts "

Dr. Rajakumar's life is an example of a great man who is still living through his noble deeds. Dr. Rajakumar, an institution by himself was an educationist, journalist, administrator, evangelist and a visionary. He was a great man of God. He transformed millions of lives who came in touch with him.

Dr. Rajakumar was born on 23rd July 1933 to Dr. Gnaniyah and Mrs. Annabakiam Ammal. He completed his formal education and joined the government service in the statistical department. He married our chairperson Mrs. Sakuntala who was a teacher by profession.

As Sir Philip Sydney says,

"In the truly great, virtue governs with a Sceptre of knowledge and wisdom".

Our beloved Founder Chairman Dr. Rajakumar was a man of noble character. He always insisted on perfection in every activity. He was a gentleman with a magnanimous heart. He was known for his humility, philanthropy, punctuality, courage, honesty, dedication and devotion.

In the 1970's the schools around Mandaveli catered to the needs of the elite. Dr. Rajakumar wanted to change this scenario and bring light of knowledge to the middle-class people. Dr. Rajakumar started a small school under a thatched roof. The seed which he had sown has grown into a huge banyan tree sheltering more than ten educational institutions - nurturing the young minds with holistic education.

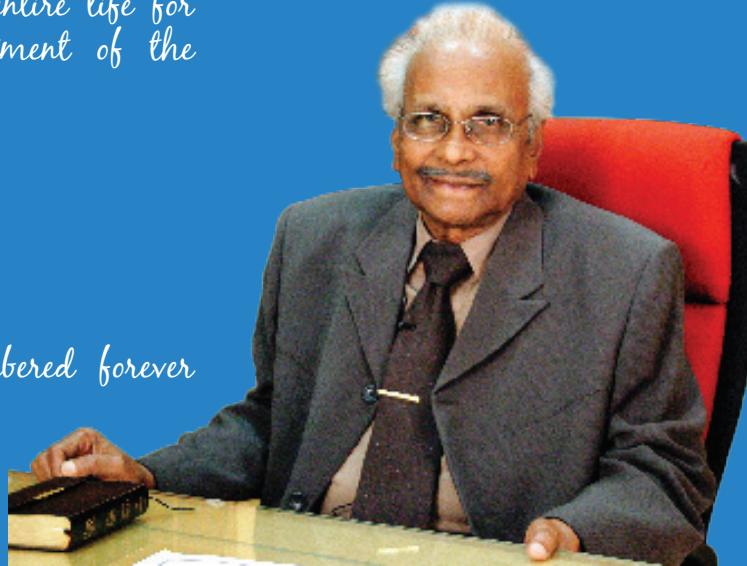

"Faith moves mountains". Dr. Rajakumar had immense faith in God. His strong belief in God enabled him to progress and prosper in his life. "The true measure of loving God is to

love Him without measure". Dr. Rajakumar expressed his love for His Creator by building churches to enrich the spiritual lives of millions.

This legendary figure had devoted his entire life for the cause of education and the upliftment of the downtrodden.

"As long as the moon shall rise,  
As long as the river shall flow,  
As long as the sun shall shine,  
As long as the grass shall grow,"

Rt. Rev. Dr. Rajakumar will be remembered forever by everyone.

"She is far more precious than jewels. The Heart of her husband trusts in her and he will not lack anything good."

- Prov. 31

## 'The Rememberance of the Righteous is a blessing'

- Prov:10

### *Our Chairperson Mrs. Sakuntala Rajakumar*

Mrs. Sakuntala Rajakumar was the co-founder and beloved wife of our founder Rt. Rev. Dr. G. Rajakumar, a pillar of strength and support in times of happiness and adversity. She took on the reins ably and skillfully assisting him in establishing the St. John's Group of Schools. She was always there by his side guiding, leading, influencing, directing and steering every moment of his life. She was the first teacher of St. John's School.

"The fear of God is the beginning of wisdom". Mrs. Sakuntala Rajakumar was very pious and devout. She took on the mantle of being a Reverend's wife when Dr. Rajakumar was ordained a Bishop. She faithfully rendered her service to the Glory of God.

'She opens her mouth with wisdom and loving instructions is on her tongue,  
She watches over the activities of her household  
and is never idle.'

-Prov:31

Mrs. Sakuntala Rajakumar was a loving and affectionate mother to her children and an adoring grandmother to her grandchildren. She was a friend, philosopher, guide and a teacher to her family. She was strict and disciplined. She held the family together with bonds of love and warmth.

In St. John's Group of Schools she is affectionately called as 'Aunty' by the teachers and 'Grandma' by the students.

'A gracious woman gains honour'. Mrs. Sakuntala Rajakumar was known for her grace and beauty. She was always well dressed for the occasion. She was humble, gentle and very polite. She was soft spoken and did not indulge in idle chatter.

The saying,  
'A word spoken at the right time is like golden apples  
on a silver tray.' - is  
very true of her.

'Charity begins at home'. Our Madam Chairperson had actively involved in social work, helping the deprived and the under privileged community. She always had a word of appreciation, a word of comfort and a smile for everyone.

We will miss her awesome personality, her peaceful presence and she will live in our hearts forever....

**"Wisdom is Better than Rubies"**

Education is what ultimately remains after one has forgotten all that one learnt in Schools and Colleges.

The motto of St.John's aims at imparting wisdom - the ability to think and utilize knowledge, experience, understanding, common sense and insight.

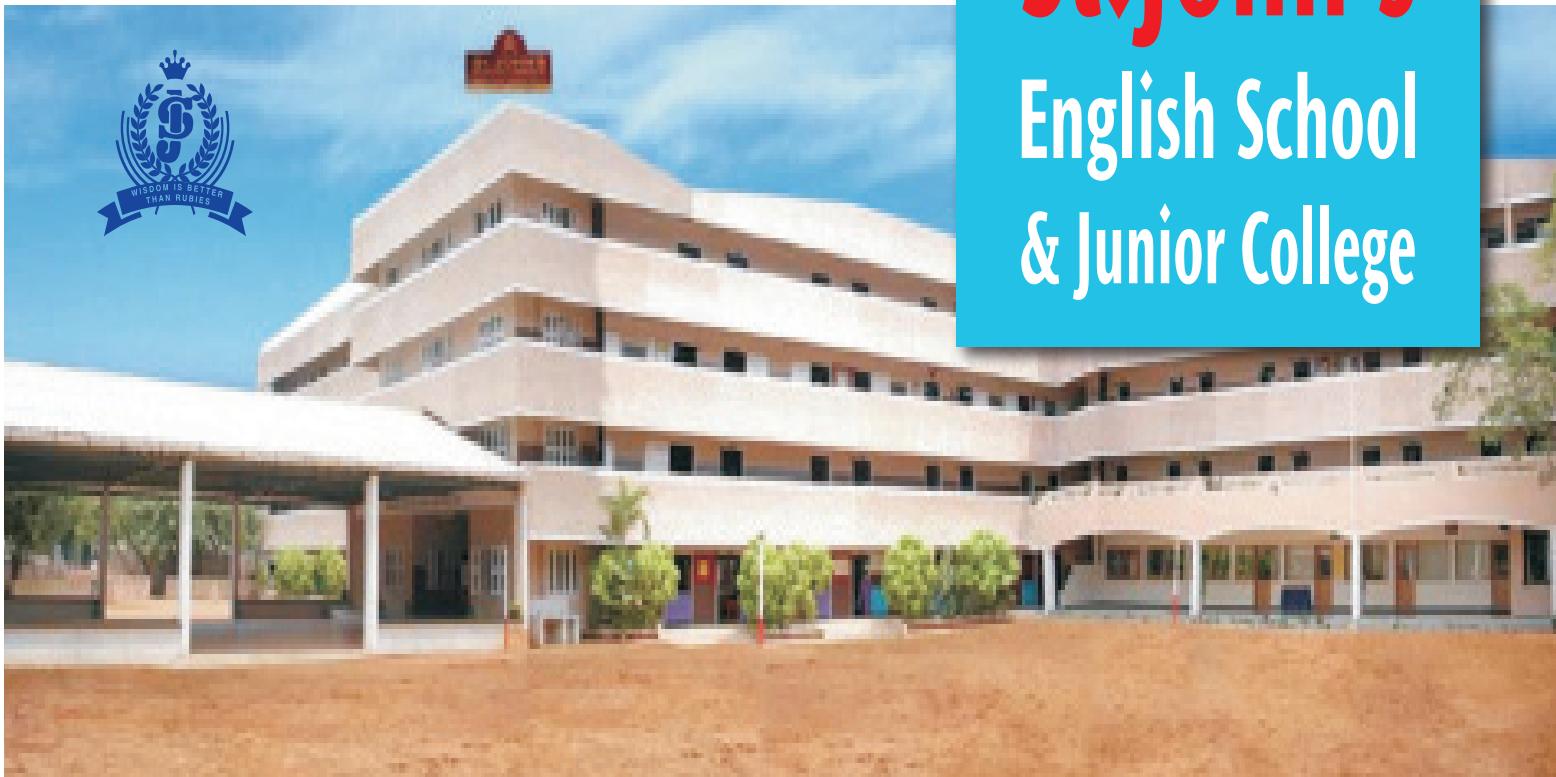

Our motto will be a motivating impulse, taking each student on a quest for knowledge, instilling in them a passion for discovery, an urge to go beyond the frontiers of the unknown.

The idea is to see that Education is not a cliche-ridden concept centering around class-room conditioning.

Each student with the wisdom gained is a discoverer exploring the world around him and coming to terms with life, as it unfolds in all its complexities.
